Basepoint Bromsgrove Support 'Bra Recycle Campaign'

Basepoint Bromsgrove is working with local company '2nd Skin Lingerie Ltd' in its campaign to raise funds to build a new breast cancer unit in Worcestershire.

For Worcestershire to have its own designated breast care unit £2.5 million needs to be raised.

The 2nd Skin Lingerie Bra Recycling campaign is looking to collect 200,000 bras that can then be linked up to form 'The Bra Chain', which would give the county a world record.

Karen Tomlinson the owner of 2nd Skin said:

"Phase two of the project will see each bra being sponsored for a minimum of £1.00 to help us raise the funds"

Basepoint Bromsgrove held a coffee and cake morning at the centre to help promote the charity and to encourage the licensees to donate their old bras.

The process will be ongoing in the centre; any bra donations can be given to Sharon or Laura (Centre Management) or placed in the donation box in reception.

To find out more or to help support this charity please visit www.2ndskinlingerie.com or contact Karen Tomalin on 01527 570229.
