Festive fundraiser raises nearly £200 for local day care centre

Basepoint Eastcote has recently held a joint charity craft event with the Stirling Road Day Centre, which raised approximately £200 for the centre.

Attendees at the Stirling Road Day Centre made a selection of homemade jewellery and Christmas cards to sell at Basepoint Eastcote to raise money to support the services the centre provides.

The Stirling Road Centre is a council-run day service which supports the needs of adults with learning, physical or sensory disabilities. It provides a wide range of services, which include sport and leisure, health promotion, community based projects, work-based training and travel assistance. The service is provided to help people to become more independent and access their community through community-based projects.

Basepoint Eastcote centre manager, Tracey Griggs, comments: "The day centre visitors had a great time meeting and selling their wares to our licensees and the public. We were thrilled to support them, and it was a wonderful opportunity to give something back to the local community."

Basepoint Eastcote is only a short drive from both Heathrow Airport and a number of regional motorways, and also offers fast access to Central London via the nearby Eastcote underground station. The centre offers around 10,780 sq. ft of high quality, fully serviced office space and also encompasses a further 3,225 sq. ft of warehouse and self storage facilities for use by licensees.
