Santa drops in to Basepoint Southampton

Basepoint Southampton held a Christmas Fayre on Thursday 3rd December complete with Santa's Grotto.

With one of our tenant's kindly agreeing to be our Santa and Roz (assistant manager) as his helper, licencees and people from the local community, including the beat officers, popped in to share a Christmas drink and nibbles. Everyone had the opportunity to browse local craft stalls and Pamela and Laura from the on site beauty and holistic therapy studio offered 20 minute treatments in reflexology, indian head massage and manicures.

There was also a raffle and Tom the on site baker donated a beautifully made Christmas cake for "guess the weight of the cake competition".

A total of £206 was raised with all proceeds being donated to the Honey-pot, the centre's chosen charity.

A big thank you to all those involved.
