**Basepoint Tewkesbury helps raise over £5k
at the annual Malvern's Rugby Club Sportsman's Dinner**

This year's Malvern RFC Sportsman's dinner, sponsored by Basepoint Tewkesbury, attracted over 150 local businesses and raised over £3,500 for the club and £2,000 for charity.

Guests enjoyed a delicious five course meal followed by an entertaining speech by former England and British and Irish Lions player, John Bentley. Virtual 'horse racing' and a memorabilia auction were used to help raise money for the club and its newly established youth training club – The Academy – which is designed to encourage young people to continue playing sports once they have finished secondary school.

Philip Rawle, Club Captain of Malvern RFC, says: "As well as supporting the Club, the money we raised at the Sportsman's Dinner will be used to buy a headstone for a much-loved member of Malvern FRC, Shane Taylor, who tragically passed away earlier this year at the tender age of 19."

Philip continues: "We are very grateful to Basepoint Tewkesbury for supporting our annual Sportsman's Dinner, and following its success, we hope that Basepoint will sponsor it again soon!"

Renée Parry, centre manager at Basepoint Tewkesbury, comments: "We were so pleased to be the main sponsors of the Malvern RFC Sportsman's Dinner. As always, the evening was a lot of fun and raised a substantial amount of money for a good cause, as well as being a great way to for local businesses to meet in an informal and sociable setting. Basepoint is always keen to be involved with projects which will enhance the business community."

Basepoint Tewkesbury comprises 70 small business units, offering a wide range of designs suitable for office, workshop or studio use. The centre is ideally located at Tewkesbury Business Park, adjacent to junction 9 of the M5 motorway, with easy access to the Midlands and South West, whilst being 5 minutes from the historic market town centre.

NOTES FOR EDITORS

Basepoint specialises in the development and operation of managed business, innovation and enterprise centres. These centres provide comprehensive accommodation and support infrastructure packages to new and early-stage companies within a supportive and secure environment. The company operates both wholly- and part-owned centres as well as managing facilities on behalf of public sector bodies. Group operations currently extend across Southern England and the Midlands, with additional opportunities under assessment across the UK.

Basepoint is a wholly-owned subsidiary of the ACT Foundation, a leading grant-making charity dedicated to improving the quality of life of those in need. The ACT Foundation derives its income from a substantial and diversified property portfolio of which Basepoint is a major constituent.
